

Thank you for your interest in volunteering for the Fourth Annual Ride for Mom, 2020!

Our goal at Ride for Mom is to end domestic violence in all its forms through educating, empowering, and challenging all members of society to stand with women and not against them.

What is Ride for Mom? The Ride for Mom is a motorcycle event raising awareness for domestic violence through a one day motorcycle ride. Our goal is to assist the Alberta Council of Women's Shelters (ACWS) to end domestic violence. Over 10,000 women, their children, and seniors were accommodated by ACWS member shelters in 2016, and more in 2017, 2018, and 2019. Women are too often faced with situations of abuse and the Ride for Mom is the voice to help victims regain control of their lives and to live in a world free of domestic violence.

How can you get involved? Ride for Mom is currently seeking volunteers for the inaugural event, held May 9, 2020. We will have several positions available, and ask you to complete the form below. You will be added to an email distribution for the event, and will receive an email confirming your position for the ride day. There are 3 shift positions; morning, afternoon, and all-day. Those who commit to all-day will receive lunch.
